Nippers Camp 2018

October 20, 2018

What is Nippers Camp?

Nippers Camp is an annual event initiated by Shellharbour SLSC to get all the nippers back into the swing of surf club, after the winter break. The nippers catch up with their friends, make new ones, have fun, whilst doing lots of **“skills based training”** and setting themselves up for a fun season ahead.

{U10's & up, financial members for 2018/19, season by camp date}
